ABOUT ME

Results-driven Marketing & Communications professional with 2+ years of luxury hospitality experience across the Maldives and UAE. Proven track record in executing integrated campaigns, leading KOL and media FAM trip movements, producing on-brand visual storytelling assets, and managing digital platforms for internationally recognized hotel brands. Ready to step into an assistant manager capacity and take full ownership of marketing and PR communications strategy on property.

EXPERIENCE

Marketing Executive

Sheraton Maldives Full Moon Resort & Spa

April 2025 - April 2026

- Drove 8% growth in social media engagement by leading end-to-end content strategy across Instagram, Facebook, and digital platforms, producing copy, visuals, and short-form video aligned with Marriott visual identity standards.
- Coordinated 20 media FAM trips and 8 KOL/influencer visits on property, managing logistics, brand briefings, and content creation movements to secure 100+ pieces of earned media coverage.
- Executed 3 integrated marketing campaigns across digital, social, print, and on-property channels, contributing to a 10% increase in direct booking inquiries during peak season.
- Managed digital asset library and oversaw asset management for all marketing collateral, ensuring brand consistency across 15 guest-facing touchpoint including website, OTA profiles, and printed materials.
- Produced premium marketing collateral — including sales tools, menus, and event materials — using Adobe Creative Suite (Photoshop, InDesign, Illustrator, Premiere Pro), maintaining strict compliance with Marriott brand guidelines.
- Authored and distributed 10+ press releases, media invitations, and stakeholder reports, building and maintaining media relationships across regional and international outlets.
- Monitored digital performance metrics and market trends weekly, delivering data-driven insights that informed campaign adjustments and supported revenue objectives in collaboration with Sales and Revenue teams.
